SIR,

In continuation of my letter No. 6663. dated the 15th November 1905. I am directed to state that the Excise Committee now propose to arrive at Bangalore on the morning of the 25th November 1905 and to stay there until the evening of the 27th idem

2. The Excise Committee are chiefly anxious to hear the opinions of the responsible officers of the Durbar as to the practical working of the Contract Distillery and tree tax systems which are reported to be worked with apparent success. One special point which has arisen in their enquiry is as regards the manufacture and sale of beer. It has been represented to them by brewers working at Ootacamund that the Madras brewers are debarred from supplying places in the Mysore State such as Kolar Gold Fields w[illegible] they would be likely to find a market for their wares. In this connection I am to invite a reference to the correspondence ending with Mr. Anantasawmi Rao's letter No.764/R.F.41-92, dated the 23rd May 1904, and to the provisions of the Mysore Regulation No. V of 1904 and to say that the Offg. Resident would be glad to be informed [illegible] date of any observations which the Durbar may wish to offer on the subject.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.
